BIRTH ESTABLISHED IN SUPERIOR COURT

NOTED LEGAL TALENT APPEAR IN HAYWARD DODGE ROSE BIRTH ENTANGLEMENT

The fact of the birth of Hayward Dodge Rose was fully established by a court order made by Judge Buck on Thursday in open court after sufficient evidence was produced going to show when the child was born and the incidents surrounding his birth. Hayward Dodge Rose was born in San Mateo on August 28, 1880 and was the son of Mr. and Mrs. Andrew W. Rose. Mrs. Rose is the daughter of the late Alvinza Hayward, the millionaire mining operator, who passed away some years ago at San Mateo, leaving an estate valued at nearly $10,000,000. Young Rose was married in New York in 1905 to Miss A. Vasquez, a pretty and wealthy belle and a leading society girl of a fashionable district of Gotham. The young couple some time afterwards went to France to reside and there in 1913 the young man was taken ill and died.

Some time ago the charming young widow desired to return to America, but discovered the French government would not permit her to return unless she established the nationality of her husband. It then became necessary to fix his birth place. There was no birth certificate, for in those days the doctors did not file any such certificates of birth, for the law did not require it as it does now, then too Doctor Benjamin Marshall, who attended Mrs. Rose, passed away in 1915, so it became a difficult task to establish the birth of Rose.

Garrett McEnerney, the noted attorney of San Francisco, was consulted in the matter and he in turn detailed one of his very ablest assistants, Attorney L. F. Young, to straighten out the legal entanglements. There is a provision in the statute which covers such cases and this was envoked by Mr. Young and after considerable hard work he finally succeeded. Keyron O'Grady, the well-known pioneer of Beresford, testified at the proceedings that he was at the home of Mr. and Mrs. Rose when the child was born, that he went for the doctor and saw the child shortly after his birth, and met him frequently afterwards for a number of years.

The file of the Times-Gazette, containing the notice of the birth, was placed in evidence and said notice read to the court.

A copy of the order will be sent to the French government, which will permit Mrs. Rose to return to her native land. Mr. and Mrs. Apdrew W. Rose were married at San Mateo in 1879. There are many pioneers now living at San Mateo who may recall the big social affair it was.

TWO SUITS FOR DAMAGES

William E. Southwood has brought an action in the superior court for damages against Dell E. Lawrence, the well-known San Francisco actor. Plaintiff asks damages in the sum of $123.90. The complaint alleges that on July 16, 1917, while in an intoxicated condition, Lawrence ran into an automobile driven by plaintiff, throwing him out and causing him bodly injury and badly damaging his automobile. The complaint further alleges that Lawrence was driving at a dangerous rate of speed at the time. The collision occurred at Belmont. John D. Willard is the attorney for Southwood. Carl Nelk also brought a suit against Lawrence to recover the sum of $5000 and the further sum of $176 expended by plaintiff for medicine, etc. He makes the same allegations that appear in the Southwood complaint. FORMER REDWOOD CITY BOY IN SEAT OF HONOR

ROBERT D. WALSH APPOINTED BRIGADIER-GENERAL

A thrill of pride was experienced by the people of Redwood City and the citizens of San Mateo county in general last Wednesday when it had become known that President Wilson had sent the name of Colonel Robert D. Walsh to the senate together with two hundred other army men for confirmation as brigadier generals. Colonel Walsh is essentially a San Mateo county man, having come to Redwood City as a small boy. He attended the public school and grew to manhood here. It is no wonder, then that the people felt proud of the honors bestowed upon a former San Mateo county man. They almost felt a personal honor on learning the promotion of this deserving son of Mars. The new Brigadier General will soon be sent to one of the sixteen army camps located in different parts of the country and will finally be sent to France.

General Walsh has a long and distinguished record in the army, having taken part in the Indian Wars in the eighties and in the Spanish-American conflict. He was stationed at three different times in the Philippines where he saw active service in the field and where he acted as governor of one of the islands.

He only returned from the islands something over two years ago and for some time has been a recruiting officer in New York.

After graduating from the grammar school he became an apprentice in a local drug store and had become a druggist, when he became fired with ambition to be a cadet at West Point and to serve his country as a soldier. Young Walsh made known his ambition to several influential men of the county and they at once set about to secure his appointment. Enlisted in his cause were County Treasurer P. P. Chamberlain, the late W. H. Lawrence of San Mateo, the late George W. Fox, the late John Stafford, the late Timothy Guy Phelps and a number of other men of influence of that time. Congressman Wiggington, then represented this district at Washington. Owing to influence that was brought to bear upon him, on behalf of the Redwood boy, young Walsh was appointed a cadet.

The young man proceeded to Washington and after a few months there spent in preparation passed the examination with flying colors. In August, 1878, he began his military studies at West Point, graduating near the head of a class of fifty in June, 1883.

He was at once appointed a second

Robert D. Walsh at age of about 23

lieutenant and was assigned to duty in Colorado. He participated in the campaign in 1886 organized to capture, the noted Indian bandit, Geronimo. The young lieutenant was with General Miles in that historic campaign when the Indian was chased into Mexico and was finally captured by Captain Lawton. Lieutenant Walsh was with Lawton when Geronimo surrendered. Thus the young man won his spurs in war when he was scarcely 26 years old. Some time afterwards Walsh married the only daughter of his professor at West Point and a young son was born to the couple. The young man is now a lieutenant at Fort Sam Houston, he having recently graduated from West Point, and he no doubt will see service, like his distinguished father, in France. General Walsh has travelled all over the country and in foreign lands, but he has never failed to occasionally visit the home of his childhood, which holds so many fond memories for him. He is a brother of A. D. Walsh, the well-known resident of this city.

His father was the late Judge Walsh, who was justice of the peace here for many years. His mother passed away some years ago.

After General Walsh's graduation he arrived home full of honors from Washington. His schoolmates and former associates in Redwood City arranged a big reception for his home coming, a full account of which is herewith produced from the file of the Times-Gazette of date of July 28, 1883, which shows the popularity of the future brigadier general at that date. The picture below shows the young lieutenant as he appeared after his graduation:

HIS WELCOME HOME

Lieutenant Walsh's Reception by His Old Friends and Schoolmates.

As stated on seven hundred invitations distributed throughout the county, the reception intended as a cordial welcome home to young Lieutenant Walsh, was held at Germania Hall in Monday evening. Upwards of four hundred people assembled at the hall at an early hour. At about 9:30 o'clock the grand march started to the excellent music of Prefontaine's band. The procession was so large that it closely encircled the entire hall. After the first few dances Lieutenant Walsh stepped upon the stage and thanked his many friends for their kind reception. He spoke briefly and feelingly. About 12 o'clock supper was served at the Grand Hotel and nearly 200 people were accommodated. The dances was continued until 4:30 in the morning. This was one of the largest gatherings of the kind ever held in Redwood, and was an eloquent testimonial of the high regard the old school-fellows have for the one of their number who has been so highly honored, and who has taken advantage of all the privileges of education and training offered him. After a vacation lasting until September the Lieutenant will fill an appointment he has received at Fort Lyons, Colorado.

BESTOWS HONOR ON LOCAL ATTORNEY

J. J. BULLOCK TO REPRESENT GOVERNMENT IN COUNTY EXEMPTION CASES

Joseph J. Bullock, the well-known local attorney, early yesterday morning received a commission from Governor Stephens, of Sacramento, appointing him to represent the state and nation and to take appeals from all exemptions and rulings of the local board now sitting at San Mateo to the district board. This means that the government intends to strictly scrutinize all exemptions granted within the county. Mr. Bullock will begin his work at once.

The selection of Mr. Bullock by the governor to do this important work is a signal honor and a decided recognition of his ability to perform the arduous and troublesome task. Mr. Bullock has all the necessary qualifications to perform the duty asked of him by the chief executive of the state without fear or favor. His task will be an annoying one, but he is capable of overcoming all obstacles which he may encounter in the rigid performance of his duty.

WELL-KNOWN MAN BECOMES BENEDICT

JOHN NELSON AND MISS MAUD FETTER UNITED IN HOLY BONDS OF WEDLOCK

John Nelson, a well-known and popular Redwood City young man, was united in marriage last week at Santa Cruz to Maud Fetter, an accomplished and pretty belle of San Francisco. The young couple took no one into their confidence but hied away to the seashore where they became husband and wife.

For the past few years Mr. Nelson has made San Francisco his home. He is manager of the manufacturing branch of the National Ice Cream Company of San Francisco. He is popular and has a host of friends in this city who wish him and his attractive bride every success.

Mrs. Nelson is not known here, but those who know her speak in glowing terms of her charming personality and winsome ways.

Miss Sallie Nelson, the popular school teacher, and Mrs. T. C. Rice are sisters of the groom.

F. W. WAGONER APPOINTED CAPTAIN IN REGULAR ARMY

F. W. Wagoner, well-known in this city and who was a candidate for county surveyor six years ago, has been appointed a captain in the regular army. He is to be connected with the engineer corps. Mr. Wagoner has been at the training camp at American Lake for some months past and recently passed a successful examination. He is a surveyor and civil engineer of ability. For some time he was the city engineer of Burlingame. Mr. Wagoner is a cousin of C. N. Kirkbride, the well-known city attorney for San Mateo.

BANK OF ITALY TO TAKE OVER LOCAL BANK FIRST OF MONTH

Mr. Hecker, auditor of the Bank of Italy from the main office in San Francisco, is engaged in checking up the accounts of the Redwood City Commercial Bank preparatory to taking over the institution by the Bank of Italy on the latter part of the month. The final transfer will be made at that time. Nearly a million dollars is involved in the transfer. The Bank of Italy is among the largest financial institutions of the state and at the rapid manner in which it is growing it will in a short time become the largest banking institutions of California. It consists of fourteen branches located in various portions of the state having a capital of $48,000,000. In accordance with the policy of the big institution maintained by all the branches, the rate of interest on all loans will be seven per cent. This is a reduction of the prevailing rate at present in Redwood City and vicinity. The new institution will aim to give the people of Redwood City a good service thereby expecting to enlarge their business.

The only possible change in the personnel of the clerical force of the bank will be the retirement of the cashier, D. W. Williams. He maintains an attractive home near Redwood City, and the people of this city will be pleased to learn that he is to continue his residence here. Mr. Williams in a short time will make a trip east and after his return may engage in business in San Francisco and commute to Redwood City. He is a very popular young man, well liked by all and admired for his genial manner and courtesy at all times. He has a host of friends in this city who wish him every success in whatever he undertakes. John B. Weller is to remain as manager. Mr. Weller has displayed business tact in the management of the old institution to which he has been connected for a number of years. He is accommodating, courteous and obliging, and these traits have made many friends for the bank. The Bank of Italy is certain to meet with the same success in Redwood City that it has enjoyed in the other cities where branches have been started.

Judge E. F. Fitzpatrick has been the efficient president of the Redwood City Commercial Bank for many years, shaping its policy and guiding its destiny with acknowledged skill and foresight. It is believed he will continue his connection with the bank as one of the directors.

HOLOGRAPHIC WILL OF CAPT. BOLLES FILED YESTERDAY

The last will and testament of Abbie Elizabeth Bolles, widow of the late Capt. Bolles of Menlo Park was filed for probate yesterday. It is an holographic will and disposes of a very large estate to relatives. The petition recites that the estate consists of bonds, notes, mortgages and cash, the value of which the petitioner for the probate of the will alleges that the same is unknown to her but exceeds $10,000. The petitioner is Mary Alice Gibson, a niece of the deceased. Jas. T. O'Keefe is the attorney for the petitioner.

The National and State Councils of Defense of the San Mateo County Women's Committee will be held at the Peninsula Hotel at San Mateo at 2 o'clock on August 21, 1917. All the ladies of the county are urged to attend this important meeting.

COLLEGE ROMANCE END IN MARRIAGE

Miss Grace Steinberger, daughter of Mr. and Mrs. Henry Steinberger of this city, and Mr. John D. Cooke of Palo Alto, were united in marriage Wednesday afternoon at the home of the bride's parents, Judge George H. Buck officiating. The wedding was witnessed only by the immediate families of the contracting parties. Mrs. Cooke has resided in Redwood City all her life and is a charming and accomplished young woman. She is a graduate of the local grammar and high schools and of Stanford University, from which institution she received her degree of Bachelor of Arts in May, 1917. While in college she was a member of Sigma Kappa sorority. The wedding is the culmination of a college romance, as the young couple met within the classic walls of Stanford. Mr. Cooke is a graduate of the University with the class of 1914. He was a member of the Phi Delta Kapa fraternity and also of the Phi Beta Kappa honor fraternity. After securing his Master's degree he taught English literature at the University of Kansas for two years and was this past year appointed an assistant professor at the University of Colorado at Boulder. After a honeymoon trip and a visit with their respective parents, Mr. and Mrs. Cooke will leave for Boulder, where they will make their home.

APPLIED FOR LETTERS

Charles R. Zipser has applied in the superior court for letters of administration upon the estate of Maria McEvoy, who died at Daly City on June 26, 1917. The estate consists of an undivided one-half interest in two lots and improvements at Daly City valued at $1500. The only heir at law is Michael McEvoy, surviving husband, who has waived his right to administer upon the estate and who nominated his friend Charles R. Zipser to serve in his place and stead. J. J. Bullock is the attorney for petitioner.

HARRY ROBERTS' CAPTURES BOHEMIANS AT THEIR JINKS

According to an article published recently in one of the San Francisco periodicals, one of the individual "hits" at the Bohemian jinks held in their grove a few weeks ago was by Harry Robertson.

Robertson is the son of Mr. and Mrs. A. M. Robertson of Redwood City and has on many occasions charmed those who have heard him sing. He returned from Italy about a year ago after having spent much time in that country studying voice culture. It is generally conceded that Robertson is a big "discovery" for the Bohemians.

PRIZE WALTZ CONTEST

Cups now on display at Knox's Toggery are creating a big interest in the coming Waltz Contest of the Young Bachelors' Club. The Grand Ball, at which the Waltz Contest will be the big event, is to take place in the Foresters' Hall Saturday night September 1, 1917. The cups are already engraved except for the name of the lucky winners, and many good dancers have been seen trying to picture their names engraved thereon, and for this they cannot be blamed as the cups are beauties. The contest will be a close one, as have the past contests held by the Club, there being many good waltzers in Redwood City and other parts of the peninsula, including San Mateo, from which city the lucky winner has come and returned with the trophy. Woodside and Menlo Park are also always represented at these affairs, as well as Mayfield, Mountain View and San Jose.

The Young Bachelors issue a hearty invitation to all spectators to be on hand to witness the exciting event.

FINE PEACHES GROWN HERE

There is no doubt that peaches grown in this locality, if properly cared for, cannot be excelled for flavor or size in any part of the state. Mr. C. M. Nowhere in the state could better samples be produced. Mr. Doxsee gives his fruit trees his personal attention.

LADIES ADDRESS FORUM MEETING

The two speakers, Mrs. Lakin and Miss Bailey, gave interesting addresses at the Forum meeting Sunday evening. Mrs. Lakin spoke on temperance, in part as follows: One thousand cities and towns in California are now dry. A recent Federal law prohibiting mailing publications containing liquor "ads" to these dry cities and towns. The Federal Senate by a vote of 65 to 20, adopted an amendment to the National Constitution prohibiting the manufacture and sale of intoxicating liquors. After this bill passes the House it will require two thirds of the states to rectify it. Twenty-five of the states are now dry, and so only eleven more need to be gained in order to pass such a bill. The law compelled all saloons to close on registration day. The morning after, there were eleven cases of drunkenness in the police courts of San Francisco, as against 150 on other average days. For every dollar we receive in revenue frim the saloon we pay out $21 to take care of the crime committed because of them. Thomas Sheehan of San Francisco indulges in a three days drunk during which time he killed his brother. The money it will require to prosecute, and possibly hang, this man will be far more than the revenue received from his drink. The saloon not only breaks into morals; it breaks into finances also.

Miss Bailey's address was on furnishing good literature to the military camps. Briefly it was as follows:

The collection, organization and distribution of good reading matter for the million men in military camp is a difficult thing. One of the chief agents in this work will be the Y. M. C. A., as it has a recongized standing with the government. Their plan is that each brigade will have a building with shelves for from 350 to 500 ing books. Contributions of books are being sought from individuals, libraries and other organizations. Local libraries may become soliciting centers. Some books will be bought with money donated by individuals and by the war council of the Y. M. C. A. The libraries in the East are considering the organizing of traveling libraries like the county libraries of California. Here in California the problem is simply to extend the county library system to include the camps. Counties where there are no camps will probably contribute a share if books. The San Mateo Codnty Library has been made the distributing centre for Camp Fremont. Books, magazines and other good reading are solicited. Send them to the County Library here at Redwood to be forwarded to Camp Fremont.

There will be no forum meeting next Sunday evening, as the union meeting to be held in the Congregational Church will take its place. The next speaker at the forum, on Aug. 26th, will be Dr. David Starr Jordan, on temperance.

BRINGS SUIT FOR DIVORCE

Mattie Bahlke, through her attorney, J. J. Bullock, has brought divorce proceedings in the superior court against her husband, Frederick J. Bahlke, on the ground of extreme cruelty. The couple was married at Redwood City on March 11, 1911, and separated on August 8, 1917. There are no children as a result of the marriage and the community property consists of personal property valued at several thousand dollars. Plaintiff asks for alimony in the sum of $50 a month, costs of suit and attorney fees in the sum of $150. Bahlke has two ranches near Belmont on which he has grain worth $5000.

WANTED—Gardener and all round handy man wants position on home place. Satisfactory work guaranteed. E. S. care of Times-Gazette. r

SUPERVISORS IN REGULAR SESSION

The board of supervisors met in regular session Monday morning, August 13th, there being present Dr. C. V. Thompson presiding, T. L. Hickey, W. H. Brown, John MacBain and Jos M. Francis.

The auditor's report showing the amount of funds that can be drawn against the county during the month of August was received and ordered filed.

The second annual report of Miss Anne Bell Bailey, county librarian, showed a circulation for the year ending June 30, 1917, of 35,515 books, an increase of 27,349 over that of June 30, 1916. The report was ordered filed.

A communication from Walter S. Martin, treasurer of the San Mateo branch of the National Red Cross Society was received in which he requested that the $3000 appropriated by the board in the shape of Liberty Bonds for the district included in the San Mateo branch, be turned over to him. The communication was referred to District Attorney Swart by Chairman Thompson.

John Mori, proprietor of the Rockaway Beach Hotel at that place, having complied with the county ordinance, was granted a dance permit, on motion of Hickey, seconded by Francis, all members voting "yes" on the roll call, excepting Supervisor Brown.

The following applications will be acted upon a week hence:

John S. Miguel, Miramar; John Fanucchi, Miramar; W. H. Grosskurth, Marine View Tavern, Marine View.

P. H. McEvoy of Menlo Park addressed the board relative to a dispute he had with County Surveyor Neuman over the former's contract to construct the first portion of the Skyline boulevard on the Summit of the mountain. Mr. McEvoy asked the board to set a day for hearing the matter and settle the dispute.

Chairman Thompson appointed Monday, August 20th, as the time for the above hearing.

A communication was received from Miss Elizabeth B. Skeele, executive secretary of the Social Service Comission, recommending a number of renewals and several discontinuances of State aid for different persons in the county.

The report was received and ordered accepted.

Supervisor Brown addressed the board relative to the condition in which the contractors had left the new Redwood-to-Beresford highway at Belmont.

On motion of MacBain, seconded by Thompson, the matter of taking the above up with the State Highway Commission was left in the hands of Supervisor Brown and County Surveyor Neuman.

Superintendent of Schools Roy W. Cloud appeared before the board and presented the request for special taxes from the different school districts in the county.

On motion of Brown, seconded by Hickey, a claim of A. D. Walsh of Redwood City in the sum of $103.50 for insurance on a Haynes and a Ford automobile belonging to the county, was ordered rejected, there being no policies for the above in the office of the county clerk.

A claim of J. L. Brown, publisher of the Daly City Record-Tattler, in the sum of $105.75, and being for printing the 75 bonds for the Jefferson school district, was also rejected, on motion of Brown, seconded by Hickey, the Jefferson school district being responsible for the payment of the claim and not the county.

On motion of MacBain, seconded by Hickey, an ordinance prepared by District Attorney Swart and regulating the construction and location of buildings and other structures within the fire district of San Mateo county, was adopted on roll call.

J. C. Brown, the local grocer, has leased his corner lot on El Camino Real and Santa Cruz avenue, to the United Cigar Company, which concern is shortly to erect a large two-story building on the property. The company is one of the largest cigar concerns in the United States. Mr. Brown receives a rental of $200 a month.

Miss Carmelita Duff has returned from Pittsburg, Penn., where she completed a year's course in library work there. She is now a full-fledged librarian, fully competent to take any position in the state. The young lady has had a thorough training. Before going east she was the assistant librarian at Stanford, from which institution she graduated a few years ago.

The Menlo Park fire department will entertain the people of Menlo Park by a band concert in the circle around the depot tomorrow at 12:30 o'clock. The San Francisco fire department band of forty pieces will discourse sweet music until two o'clock, when it will adjourn to Camp Fremont to regale the soldiers for two hours. All are cordially invited to attend.

Mrs. T. C. Walker and her two pretty children, Cyrus and James Walker, have gone to Santa Barbara and are guests at Hotel Potter. They will return the first of the month. Mr. Walker is doing his bit as a soldier at the Presido. Mrs. Walker, while feeling keenly the fact that she is separated from her husband, she is patroitic and is willing to make the sacrifice.

John Biggy, young son of the late Sheriff Biggy of San Francisco, and for some years a student at St. Patrick's Seminary, has been appointed a second lieutenant and is located at the Presido. Three months ago he began the government training at the latter place and successfully passed a rigid examination. The young lieutenant will most likely go to the front "somewhere" in France. The young man will be compelled to forego a cherished ambition for a career in the priesthood.

Camp Fremont will soon be supplied with all the water it needs. The big mains of the Spring Valley Water Company have been tapped at Sweeney Lane, near the Flood property and turned into the pipes of the Bear Gulch Water Company, which has laid laterals into the big camp. The former concern is to use the mains of the latter company in furnishing Uncle Sam water for his soldiers. The Spring Valley's big main crosses the bay at Ravenswood, the water supply coming from the Livermore valley. At the connection of the two mains at Sweeney Lane, a pumpnig plant is to be established to force the water up to the camp. Over 2,000,000 gallons of water a day will be consumed or used by the camp.

J. A. Ross has arrived here with twenty-nine assistants during the week to exterminate the squirrel pest. Every rodent in the big camp is to be destroyed within the next month. Mr. Ross has rented the MacBain house on Mills avenue for his office force and from which place the campaign of extermination will begin. Mr. Ross is under the supervision of the government. He has been engaged at this work for several months. It is well-known that the squirrel is afflicted with bubonic plague. This has been proven by actual tests and Uncle Sam in safeguarding the health of his soldiers has given orders there must not be any such pest in the cantonments. All territory surrounding the camp will also be freed from the pest.

Father Lacombe, chaplain of the camp, has been appointed a regular chaplain in the United States army, with orders to proceed to France just as soon as his appointment arrives. Father Lacombe recently turned down an appointment to the Interpreters' Corps for the sake of continuing his work as chaplain. He speaks both French and German fluently. Before being assigned here, he was at Mission Dolores in San Francisco and before that at Menlo Park.

The remount station is to be located at Ravenswood. During the week the government rented the O'Connor, O'Keefe and Donohoe tracts comprising nearly 500 acres. The tract adjoins, a highway running between them. This will be closed and the land will be practically one big field. Superintendent Ahearn of the Southern Pacific Company was here yesterday making arrangements to run a spur track from the Dumbarton railroad from the Cooley property to the remount station. Lumber will be shipped in at once to erect the necessary stables and sheds. About 20,000 heod of horses will be trained at the station. The location is an ideal one. The Dumbarton railroad is within short distance and the Spring Valley's mains run by the property. All the roads are in excellent condition. Other adjoining property may be added to the station.

Those entering the camp without business takes his life in his own hands. One night during the week an unknown man sauntered into camp and began suspiciously to 'monkeying" with the water pipe. The guard on duty halted him when he took to his heels. Three shots fired by the guard failed to stop the suspicious character. On Thursday night the guard on duty discovered two men in an attempt to steal lumber. The guard fired two shots at the men intending to hit the fleeing men but he proved to be a poor marksman.

The general public is notified that the reservation, in which important business is transacted, is private grounds and that those who go upon the grounds do so at their own risk.

The original and ancient main gate and entrance to Camp Fremont is to be spared. When the government took charge of the grounds, and on learning the history of the gate, which has been an old land mark in Menlo Park since 1854 when it was erected, it was decided to spare it and so far as possible to preserve it from destruction. It stands in good solid form on the Johnson property just south of Santa Cruz avenue on El Camino Real. In days gone by the Spaniards of early days enjoyed many a festival at its portals and before that the Indian held high revelry in its shadows in a grove close by. Here the Redman invited his friends to come and enjoy his hospitality. Indians gathered here from various sections of the state and as far south as Santa Barbara to have a big pow-wow. Menlo, the big chief, after whom the gate is called, was a great entertainer and for days at a time to Indians would eat, drink and make merry in the big oak grove. The historic gate has always stood as a sentinel on the "King's Highway", at which many a weary traveller has stopped for rest after a long journey. The people of Menlo Park are pleased to learn that the government is to preserve the old land mark.
